

Toronto, Ontario, May 2019

1 ReSource Inc. announces partnership with Plako

1 ReSource Inc. is pleased to announce their new partnership as exclusive Canadian distributor of high quality technical synthetic components for the office furniture industry from German manufacturer, Plako.

Since 1968, Plako has been the contact partner in all industries for projects and special solutions in the field of technical and synthetic components. Specializing in innovative development, planning, construction, and distribution of systems components for the office furniture industry, Plako is well recognized and established in the industry.

1 ReSource Inc. is very pleased to be providing sales and marketing, as well as distribution from its 40,000 sq. ft. Toronto Canada warehouse. 1 Resource Inc will be marketing the Plako collection to the contract furniture market.
